Dear Santa,

Subject: **job application as your assistant**

I have come across your advertisement for the position as your assistant and I would like to apply for it.

As I love Christmas, this might be my perfect job. I would love to work with you and your helpers, wrapping presents and going from house to house to hand them out. Making people happy has always been a dream of mine. In addition to that, I would be very excited to fly with your sleigh.

I have much experience in the field of Christmas, because I have worked with the "Christkind" for several years. I am sure I would appreciate the position as your assistant immensely as you even have a sleigh and reindeer. In addition to my work experience, I am a very, very good gift-giver and enjoy giving them the most during Christmas time. I am passionate about Christmas decorations, so I have my decorations up from June to March each year in order to never lose the Christmas spirit.

I have quite high hopes for my payment, as I would prefer a second Christmas wish instead of one at Easter time.

Should you need any further information, please contact me at your earliest convenience.

Yours sincerely,

Chiara L., 6B
