Santa Claus

The North Pole

22 December 2022

Dear Santa Claus,

Subject: **application for the position as your assistant**

I am a reindeer from Norway. My best friend Rudolph has been working for your enterprise for years now. He always tells me how nice and friendly you are and that the working conditions are excellent. Thus, he mentioned that you need an assistant. Therefore, I would like to apply for that position.

I have always dreamt of becoming a reindeer pulling Santa's sleigh. My whole life I have been living in Norway. It is always cold and snowy here. Because of that I am very experienced in walking in the snow and carrying heavy items. Due to my training with Wim Hof I am also very resistant to cold and ice.

If you accept my application I would like to make some wishes. I would like to get well paid, which means that I would like to receive food (cookies & co) and hot tea during the rides.

I am looking forward to hearing from you soon.

Kind regards,

Johanna, 9C
